GLOBAL SCIENCE CONFERENCE

GS100

AUTHOR SUBMISSION CHECKLIST

Welcome to GS100, providing a carefully curated cross-section of today's scientific landscape. Please ensure your submission meets the following guidelines:

View the full list of research areas and conference tracks here.

WHY CHOOSE GS100?

✔ **Indexed Peer-Reviewed Journal:** All accepted papers receive ISSN, DOI, and Google Scholar indexing.
✔ **Global Visibility:** Authors may submit video presentations, which will be hosted on GS100.org and YouTube.
✔ **Convenience & Flexibility:** Fully online conference format with no travel required.
✔ **Recognition & Certificates:** Certificates of Participation and Contribution.

GENERAL SUBMISSION REQUIREMENTS

✔ Paper Length: 2,000–3,000 words (including abstract and references).
✔ Language: English only (clear, academic writing).
✔ File Format: PDF preferred; DOC/DOCX accepted.

FORMATTING GUIDELINES

✔ STEM Fields: Use the provided LaTeX IEEE-style template.
✔ Humanities & Social Sciences: Use the APA-style Word template provided.
✔ Clearly structured with the sections: Abstract; Introduction; Methodology; Results; Discussion and Conclusion (as applicable).
Templates can be downloaded here.

SUBMISSION PROCESS

✔ Double-Blind Peer Review: Anonymise your submission (remove names, affiliations, and other identifying information).
✔ Submit via the Google Form
✔ Receive submission confirmation by email immediately after submission.

REQUIRED ELEMENTS

✔ Abstract: Clearly summarise your paper in max. 300 words.
✔ Keywords: Provide 3–5 relevant keywords.
✔ Author Information: Include all author names, affiliations, and accurate contact details in the online submission form.
✔ Originality Statement: Confirm your paper is original, unpublished, and not under consideration elsewhere.

AUTHOR SUBMISSION CHECKLIST
GS100 - SUMMER 2025
